## **1.0 Aims of the Policy**

1.1. The Coopers Company and Coborn school is dedicated to ensuring that all students/pupils achieve their potential and will work in partnership with all stakeholders to achieve these aims. We value our relationship with parents/carers, and recognise their pivotal role in ensuring a quality education and experience for all. Formal and informal communication channels with the school help to further positive working relationships. However, the school is required to have a policy to address parental/carer's behaviour where this is unacceptable and has a detrimental effect on the good order, and safety of the school. The school has a duty of care for both students/pupils and staff to ensure their safety and well-being.

1.2. To help us do this, we set clear expectations and guidelines on behaviour for all members of our community. This includes staff (through the staff code of conduct) and students/pupils (through our behaviour policy).

1.3. This policy will outline the behaviours that are unacceptable to the school and what options are available to deal with the behaviour.

1.4. This policy should be read in conjunction with the school's Complaints Policy as the school expects all parental complaints to be taken seriously, and to be dealt with comprehensively and as far as possible in confidence. The school's Complaints Policy allows parents/carer's complaints about school issues to be dealt with efficiently and sensitively, and at the appropriate level. The channels of communication to our staff, and methods of response are also within the school's Complaints Policy.

## **2.0 The Scope and Application of this Policy**

2.1 We expect all our parents/carers to:

- respect the ethos, vision, and values of our school with Love as Brethren the fundamental core of our interactions;
- work together with staff in the best interests of our students/pupils, with reasonable and realistic expectations regarding school response times with 72 working hours response time Monday - Friday 8.30am - 4.30pm (formal complaint response timeframes are set out in the school's complaint policy);
- treat all members of the school community with respect – setting a good example with speech and behaviour;
- seek a peaceful, measured solution to all issues;
- address your own child's behaviour (or those in your care), particularly in public, where it could lead to conflict, aggression or unsafe conduct;
- approach the right member of school staff to help to resolve any issues of concern.

2.2 The policy aims to clarify that the following behaviours demonstrated by parents/carers will not be tolerated by the school:

- unwarranted and unnecessary telephone calls/correspondence taking up undue teaching and administrative time;
- arrival on site without prior arrangement and refusing to leave without seeing a particular member of staff

- intimidation or threatening behaviour (including to another member of the school community);
- disruptive behaviour;
- racist, sexist, homophobic, transphobic, misogynistic conduct;
- swearing or using offensive language;
- incitement of others and threats or risk of injury;
- shouting at members of staff, students/pupils or other parents;
- Sending abusive messages to any member of the school community, including via text, email or social media;
- Posting unsubstantiated, defamatory, offensive, or derogatory comments about the school, its staff, or any member of its community, on social media;
- Breaking confidentiality when applicable;
- Use of physical punishment against your child while on school premises;
- Any aggressive behaviour (including verbally or in writing) towards another child or adult;
- Disciplining another person's child;
- Smoking, drinking alcohol, or taking illegal substances on the school premises, including attending the school whilst under the influence of alcohol/illegal substances;

This policy does not affect the right of parents/carers or other parties to make complaints to the school.

### **3.0 Key principles**

- The education of the children of the parent/carer involved will not be compromised in any way;
- The school will fully investigate all valid concerns;
- Any decisions will be fully communicated to the parent/carer;
- Any parent/carer behaving unlawfully will be reported to the police.

### **4.0 Channels of Communication**

The school encourages open communication with parents/carers and it is important that there is clarity on this issue. Parents are provided with a channel of communication with all staff at the school, via our 'Contact Us' page on the school website. This page enables parents to choose who they wish to get in contact with so that enquiries are directed to the most appropriate person.

The following points are important:

- All parental communication to teaching staff and support staff at the school, should be made through the 'Contact Us' section of the School Website - not through direct emailing of members of staff
- If a parent, directly emails a member of staff, then they will be directed to the 'Contact Us' section of the school website
- School staff have up to 72 working hours to respond to incoming parental communications
- Staff will reply to all parental enquiries using one of the following:

- Most non-sensitive issues will be dealt with through a 'note home' on our Go4Schools system
- Staff may choose to send a message via our 'ParentMail' system
- Staff may choose to make a phone call about the enquiry
- In some instances, certain staff may email you directly - however any new enquiry made by parents, at later points in the academic year, should be made via the relevant 'Contact Us' form

## **5.0 Procedures**

The school has a range of strategies to employ with any parent/carer who persists with unacceptable conduct. Whilst these sanctions are set out in the policy by way of a sequential process, they can be initiated at any stage if, in the reasonable judgement of the Headteacher or Chair of Governors, the severity of the behaviour warrants such a level of intervention.

### **5.1 First Written Warning**

A parent/carer who displays any of the behaviour as described above will be asked politely to stop in written communication with reminders of our school expectations.

### **5.2 Second Written Warnings**

A formal written letter will be sent to the parent/carer where they continue to act unacceptably. This is signed by the Headteacher and circulated to relevant internal parties to ensure that an informed and consistent approach can be adopted. Should a further incident occur, a further formal written warning should be issued.

### **5.3 Legal Sanctions**

If a parent/carer breaches the expected standard of behaviour as set out in this Parental Code of Conduct Policy despite formal written warnings, then the school may consider the following sanctions listed below. These will usually only be used in extreme circumstances e.g. if a parent/carer continues to exhibit conduct in breach of this policy or has committed a serious breach of this policy.

5.3.1 The school may ban the parent/carer from the school premises for a specified period, subject to regular review by the Governing Body. A letter to this effect will be sent by the Chair of the Governing Body. Any entry onto the site in contravention of such a ban and where a nuisance is caused would be a criminal offence under section 547 Education Act 1996 and the parent/carer will be removed from the premises by the Police or an authorised member of staff.

5.3.2 An injunction under the Protection from Harassment Act.

The school may seek an injunction requiring the parent/carer to desist from behaving in the manner in question. The school will seek an injunction against the parent/carer's conduct under the Protection from Harassment Act 1997.

## **6.0 Responsibilities:**

6.1 The Chair of Governors is responsible for:

- monitoring the good order and safety of the school;

- checking that the correct procedure is followed;
- reviewing bans from the school site (the Chair is responsible for issuing a banning letter).

6.2 The Headteacher is responsible for:
